

Something's in the air... and we want you to be a part of it!

GenRATE™
Powered by Rate Express®

Genworth proudly introduces GenRATESM, a new opt-in risk-based pricing solution designed with you in mind.

Through GenRATE, we give you the competitive and precise MI rates you need to appeal to future homeowners and close more loans.

After opt-in, you can get GenRATE MI rate quotes through your Loan Origination Systems, Optimal Blue^{®*} or Rate Express^{®*}, our rates and comparison tool.

For more information, visit new.mi.genworth.com.

*Your ORG ID number needs to be in the Optimal Blue system. Log in and complete the required fields in Rate Express[®] to ensure you receive GenRATE pricing.

** Genworth's pipeline clearance process will assist with disclosure issues that may occur due to rate changes by honoring the rate on the quote, provided quote date is < 90 days before the date of the rate change and loan application date is < 90 days of the rate quote. Quote pricing parameters must be the same as pricing parameters at time of loan submission.
