

RENOVATION FINANCING

Finance your home renovation or repairs

Repair or renovate your next or current home with a renovation loan. We offer flexible construction loans that often are less costly than other financing options.

Dream Home or Homes

Repair or renovate your existing home with a refinance, purchase something new, or even buy and fix up a second home.

Low Down Payments

Up to 97% financing on a principal residence or up to 90% for second homes.

Peace of Mind

Lock in your rate up front before renovations begin.

Bigger Budget

Loan amount is based on the future "as-completed" value of the home rather than the current value.

Contractor Flexibility

Choose your own contractor, and Do-It-Yourself options are available.*
